**disAbility Resource Center**  
Services offered at disAbility Resource Center

**The mission of the disAbility Resource Center (dRC) is to empower persons with disabilities to become and maintain their independence in their communities.**

**Information and Referral**

Advises individuals and families on where to go and how to get needed services, resources and information at all levels...locally, state and national resources.

**Housing and Moving back into the community**

Our goal is to assist all our consumers to remain independent and live the best life they can by connecting them to affordable and accessible housing.

**Youth Transition Services**

We assist youth with disabilities in the transition from high school to adulthood and empower them to live more independently through advocacy.

**Peer Support**

Peer Support Staff serve as role models, as only someone with personal experience with disabilities can do. Call us about our Next Chapter Book Club and social groups!

**Independent Living Skills**

We offer a range of information, resources, classes, and individual guidance to improve or enhance important daily life activities.

Contact dRC if changes are needed or if there is a resource you feel would benefit our community. We do not promote or endorse any of the services within this resource guide. We participate on committees and attend meetings with many of the organizations listed within this resource guide. We advise individuals and families on where to go and how to get needed services, resources and information at all levels...locally, state and national resource.
