Support

Your donation directly supports individuals with disabilities in our 5-county service area to fully participate and live in their communities without barriers. Thank you for your generosity!

Events

Toys For Tots

Applications are now open through 12/15/24 for Toys For Tots. If you are in need of toys for your children, or if you have the ability to donate this holiday season, scan the QR code below. It will provide information on local donation sites, how to request a toy, and all the FAQ answers you could think of!

Let's make this holiday season bright for everyone!

Resource Roundup

dRC provides an array of services to those we serve, with one being “Information and Referral”. We strive to adequately advise individuals and families on where to go and how to get needed services, resources and information at all levels. This service is a huge stepping stone for our mission to empower persons with disabilities to become and maintain their independence in their communities.

Resource Guide

Employee Of The Month

Arnetta has been with dRC for 2 years. She started with a United Way SCEP training program, then was hired as a full time employee with dRC in December of 2023 as an Executive Assistant. When asked what she likes about her role with disAbility Resource Center, Arnetta stated "I enjoy assisting my supervisor along with the employees with whatever task they need me for. I also enjoy interacting with the consumers that I encounter." Arnetta wears many hats as an executive assistant with dRC including both "behind the scenes" work, and often the first point of contact for those reaching out to the agency.

Arnetta's favorite quote and words she lives by in her personal life and with dRC:

"Treat others as you would like others to treat you."
