

ARE YOU OUR NEXT **Board Member?**

disAbility Resource Center is currently seeking dedicated members to join our board! We are looking for people who are passionate about supporting the disability community and share our mission of empowering individuals with disabilities to live independently and fully participate in their communities. We especially encourage those with lived experience of disability to apply. Your voice and commitment can help shape a more inclusive and accessible future. We would like for our board to be comprised of members from all 5 counties we serve (Brunswick, Onslow, Pender, Columbus, New Hanover), and be available for just 1 virtual meeting per month!

SOUND LIKE A GOOD FIT? HAVE
